**YOUR LOVED ONE HAND-DRAWN TO THE RIGHT HAND OF THE LORD**

Drawing J6 was originally done as a **MEMORIAL** for Roger Whitney's wife's grandfather. Sadly, during the development of this current program, Roger's wife Carol died after a long battle with arthritis. He was able to use this drawing to convey the reality that Carol is now at the right hand of God with a healthy, new body like she had when she was younger. We are humbled to be able to offer this powerful memorial statement to you and your family.

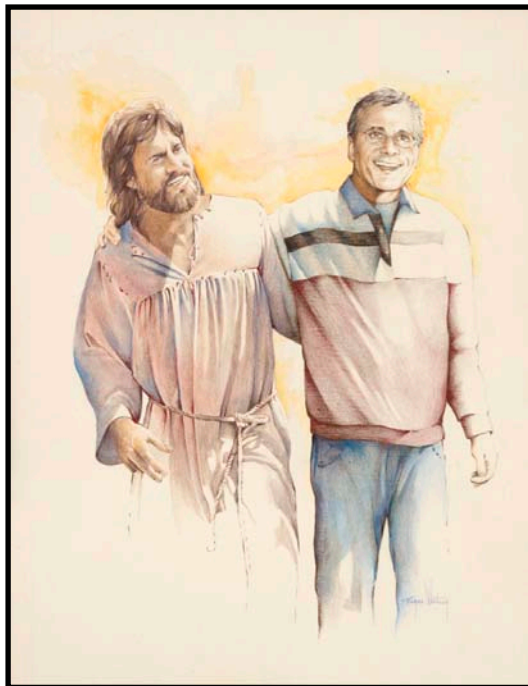

Drawing J7 was personalized by Roger for a pastor friend symbolizing his walk with Jesus. You can now order a personalized version of this drawing for a pastor, elder, or Christian friend by simply sending a photograph of that person walking towards you. We will return to you a one-of-a-kind drawing that captures all of the love and joy that a personal relationship with Jesus represents.
